Earn Money Easily With MySearchEngineAds

Your firm has created many websites for small businesses. We have a way for you to create some extra income from your relationships with your current customers. If you don't offer PPC services to your clients, then we have an option for you and your client. MySearchEngineAds is the leading search engine marketing service for small businesses. MySearchEngineAds helps small business and professionals reach their customers through search engine keyword advertising. A web-based solution, and is easy to use, affordable and takes no technical expertise.

We have many small businesses that currently use our service. We offer a way to drive traffic to websites you create for your customers. Our service is a computer generated, operated and manages PPC/ AdWords system that buys keywords across over 15 search engines for the highest insertions for the lowest price.

How It Works

You can earn money by offering the MySearchEngineAds service to your customers. We give you links, graphics, and suggestions on how to promote our products. All you have to do is place our affiliate tracking links and creatives for MySearchEngineAds on your site, and we will reward you for each user that signs up for our 14-day trial and is billed for the monthly plan.

How Much You Will Earn

14-Day Trial Signup (\$29.95 Trial Activation Fee)	\$50.00/customer that stays on after trial

How Are Sales Tracked?

As a MySearchEngineAds affiliate partner, you will have access to our web-based affiliate tracking system. You can check your transaction report at anytime to see a breakdown of your referral activity - clicks and conversions. You will be able to see which links and banners are generating the most sales and can replace under-performing items to increase your revenue.

What We Do

1 We Create your Ad

- Our expert staff create a fully optimized ad by analyzing the content on your website
- We then associate your ad with keywords related to the products / services that you sell
- Optionally, we can target your ad to local customers within your geographic area
